Clear Springs High School Army JROTC (Springs JROTC) is looking for sponsorship and corporate matching to support the financial needs of our JROTC program. The JROTC students compete in different competitions throughout the year; such as, Orienteering and Drill Meets; both local and away. The Color Guard is often seen presenting our flags at many sporting events and gatherings within the district and community. The Springs JROTC Booster Club is a 501(c)(3) organization with the purpose of supporting the cadets (students) within the classroom and at competitions by providing snacks or covering the cost of an event. Your financial contribution helps to fund the needs of the program and support our mission.

We ask you to join the ranks of support and be a part of the growth and success of the Clear Springs JROTC program. Please do not hesitate to request further information for your records or to reach out should you have any questions.
